

Greetings!

You have probably seen my family's name pop up in your home post box or your email inbox quite often since last August. That is because I am the Communications Chair for the Edmonton Anglican Cursillo Community and that keeps me busy sending you notices and newsletters.

Part of my role is to keep a Master List of Cursillistas up to date for Secretariat... and that is why I am writing. Would you please provide the following information to me so I may make sure the Master List reflects the correct information for you? This list is kept in strict confidentiality and is used only by Secretariat in line with the Diocesan Privacy Policy: http://edmonton.anglican.org/pdf/Privacy_policy.pdf.

This membership list is used to determine the annual dues we submit to the Canadian Anglican Cursillo Secretariat (\$3.00 per member). It is also used for mailing purposes (the quarterly newsletter as well as the emailing of special announcements and reminder notices). Please indicate if you wish your name to remain on the membership list. **Your name will only be removed if we receive your request to do so. If you do not respond, your name will remain on the list as it currently stands.**

Would you like your name to remain on the membership list of the Edmonton Anglican Cursillo Community? YES ____ NO ____

If NO, please contact Nancy Rutter with your request to remove your membership information.

If YES, please complete the following form and return to Nancy Rutter.

Nancy
